I couldn't wait for my shoot today, but I have to admit I was a little worried. I heard that Barrett had a pretty thick cock and I hadn't fucked anyone in almost six months. My pussy was probably tighter than normal.

It took my a few minutes to get used to the size of his cock. Even the head was huge and I tried my best to suck it good. But when it was time for my pussy to get fucked, I had to take it real slow. But the pussy's an amazing thing. I got used to it and loved the way it filled me. I came more times than I can remember. He came once.

This year, Peter decided to build me a sci-fi set for our rendezvous. I felt like an alien princess about to conquer her very own world. I couldn't believe how elaborate it was. And there was video crew there to film us. What a present. And I had to thank him in the best way I could think of.

40+ #64

**40+:** Hey Sharon – We hope you liked this issue's cover.

**Sharon:** I really did, and everyone else who saw it did, too. I never thought my butt looked that good. I've been hitting the gym and trying to jog five miles every other day. And on top of all that, I've been getting plenty of sexual workouts, too. I've had several marathon sex sessions with guys and girls.

*Dear Editor,*

I just got back into my hotel room and had to write down what I just saw. I'm a forty-two year old man attending a company outing in Denver and I just left the boring seminar we were all required to attend. So I went out on the balcony of the restaurant at the hotel to have a smoke and forget the past two hours. It's only seven pm but it's dark because it's November, but the weather is warm tonight. I looked out at the city lights and breathed in the wonderful mountain air.

In another section of the restaurant, I could hear a party in full swing. It was a girl's twenty first birthday so there were lots of pink party balloons emblazoned with the number twenty one tied to patio tables and chairs with yellow ribbons, and young women on the same balcony in heels and party dresses getting gradually louder. I decided to get away from the noise and take a walk; too much excitement for a tired and bored businessman.

As I walked across the hotel's lawn, I could hear the chatter and laughter from the party. I came to a short path in front of me. Beyond this there were some decorative rocks and I sat on one of these and looked out at the city view below me. I took out another cigarette and listened as music now drifted down from the party. I could hear female voices laughing and giggling, probably from the party. It seemed that they were getting closer. I refocused my eyes as I saw two of the party girls come into my view some twenty or feet away from where I was sitting. I moved back off the rock so they could

not see me. A blonde girl came first clutching a bottle of wine in one hand, and leading another gorgeous girl with the other.

They were obviously from the celebration at the restaurant, wearing bright party dresses and stumbling their way across the grassy lawn. The first girl took a drink from the wine bottle as she led her friend away from the water to a spot right under where I was sitting. Her little red party dress clung to her curves tightly to show off her wonderful hourglass figure with plump heavy breasts pushed up in her strapless dress. Her friend had bare feet and legs, and a little flared skirt which only just covered the cheeks of her bottom. I guessed she'd hitched it up as they ran across the lawn, and she was displaying the most wonderful amount of young firm flesh. She had a little tube top that was barely covering her nipples.

I put out my smoke as they stopped and the first girl spun the other around by the hand to face her. She passed her the bottle and the other took a drink sloppily letting the deep red liquid spill out around her pink lips and run down her chin. She laughed and licked her lips as she dropped the bottle to the ground. The first girl pulled her friend to her pressing their bodies together, squashing their tits together and wrapping their arms around one another. I leaned a little more forward to get a better view. They looked a little drunk and quite horny. By now, in great anticipation, my cock was as hard as the rock I was sitting on and pressed down against it as I lay on my stomach watching the action unfold below me. Go ahead and kiss her, I whispered to myself.

My wish was answered as their mouths came together with passion not seen by me in years. Tongues and spit were slathered over their mouths. Then the first girl slid her hand over

the other girl's firm ass, down to the hem of her short flared skirt, and dug her nails into it. They held each other tight, exploring each other's curves with their hands, kissing deeply and urgently. The younger girl leaned back, breaking the kiss, and tried to push her friend away in mock resistance. Without hesitation, she kissed her friend again deep and passionately, sliding a hand up the back of her friend's thigh and under the hem of her skirt. I rolled onto my side, reaching down and curling my fingers around my stiff cock, rubbing it as I watched.

I heard the second girl whimpering as the first pushed her hand firmly between her thighs and spread her legs with her knee. She rubbed her fingers back and forth as she buried her face into the girl's neck. Then she pulled back holding her hand up in front of the other girl's face. She smiled and said, "You're very wet, honey," as she pushed her fingers to the girl's lips. These were the first distinct words I had heard beyond all the groans and squeals. The first girl pushed her hand back between her friend's thighs and kissed her deeply again, and the other groaned and kissed her back just as deeply.

Then the first dropped to her knees and pulled her friend's tube top and skirt down in one swift motion. She pulled the clothes away from her friend's feet and moved her hands up to spread her legs. Burying her head in her friend's snatch, she grabbed her butt cheeks and pulled her into her face. While I could not see the explicit action from my viewpoint, I could hear the slurps and squeals emanating beneath me.

The first girl stands up and kisses her friend again, forcing the smell of her pussy into her friend's mouth. As she's kissing her friend, the first girl wiggles out of her dress and lets it fall. Then she pushes the other girl's head down to her pussy and lifts a leg to accommodate her. The second girl goes after the pussy with wild abandon and as the first girl throws her head back in pleasure. Her eyes are closed as she lets the sensations fill her body. I move forward for a better view as the action heats up, and

stupidly, make enough noise that the first girl opens her eyes and sees me. But she doesn't flinch. She just smiles at me and let's her friend continue with her muff munching.

I can tell she's about to cum and takes her friend's hands and puts them on her breasts and guides them to rub and pinch her nipples. She cums with a soft scream, all the while her gaze is fixed on mine. The second girl stands up and they hug, rubbing each others asses as they do. Then the first whispers into the second girl's ear and I see her look up at me, too. I muster a timid wave and the second girl freaks out a little, grabbing her clothes and running away. But the first stays behind, taking her time to gather her things and walk calmly back to the party.

I go back to my room and relive the past couple hours with my cock in hand. I wash up, go to bed, and pull out paper and pen this. What a great trip it's been after all.

**Dear 40+,**

I'm writing to tell you that my bride of only two weeks looked spectacular with the glow of the mid-afternoon sun shining down upon her on our honeymoon. Once I reached Hallee, I brought both of my hands to her face and kissed those enticing, irresistible lips. She responded in kind, linking her arms around my neck and opening her mouth to accept my

**Hello Cacau,**

I really liked your pictorial in the issue of **40+** magazine that I bought. And I really liked the video, and the fact that it was free. But I'm writing this note to compliment you on your anal scene. It may sound a little weird to tell a woman you've never met that you like the way she takes a cock in her ass. But that's what I'm doing and I hope you don't mind. I really like having anal sex with a woman, but not too many will do it. Those that will need time to prepare their butt so stuff doesn't come out. I'll wait.

*— Nathan, Miami*

probing, anxious tongue. When she slipped her tongue into my mouth, my right hand immediately drifted upward toward one of her breasts. As we continued to kiss each other in a slow, romantic fashion, I cupped and cradled her taut, firm breast through the tiny bikini top she wore. Both of us moaned simultaneously, and soon I was squeezing her breast a bit rougher. Our mutual kiss intensified and before I knew what was happening next, the young woman reached between our pressed bodies and massaged the hard, aching lump that was tucked away in my shorts.

I slipped my left hand downward and began to squeeze and prod away at Halee's tight, bikini-clad ass. Meanwhile, my other hand continued to cup and grope one of her luscious breasts. I used this opportunity to dispose of her top. The two of us maintained eye contact as my mouth slowly but surely descended toward her one of her breasts - or more specifically, its puffy nipple. As my lips closed around it, Halee let out a long-winded sigh. Meanwhile, I pumped her opposite breast with my right hand. I chuckled as Halee pushed my head away from her breast. I slipped my belt off and then maneuvered my trunks downward. Once they were at my feet, I kicked them off and steadied myself before my blushing bride. My erection, needless to say, was already jostling back-and-forth in front of Halee's waiting mouth.

As she smiled and gently grasped my shaft with her left and glanced up at me, her eyes aglow with passion and lust. I could not help but to shudder with arousal as my 40-year-old wife extended her tongue and offered my erection a teasing swipe. She giggled at my response, then slowly ran her tongue along the pulsing length of my cock. I gasped as Halee's left hand slowly tightened itself around my enlarged shaft. Again she giggled, this time while giving it a couple of hard squeezes. A deep, guttural moan escaped from Halee's throat as she slipped my shaft between her pouty, red lips. As her left hand cupped my testicles and gently kneaded them, she closed her moist lips around

my swollen member and began to everishly suck upon it. She then moved her left hand to the very base of my shaft and started to pump away. Within a matter of seconds, Halee was working my cock in-and-out of her mouth at a steady speed. Meanwhile, she continued to pump the base of my shaft with her left hand.

Halee made a loud gagging noise as her cheeks hollowed around my hard cock, her head now bobbing back-and-forth at absolute warp speed. She was sucking me off like there was no tomorrow; as if this was her last act on Earth. I roared in pure passion above her while reaching the boiling point. All of a sudden, my goddess whipped my shaft out of her mouth. In one quick motion, she tightened her grip upon its base and extended her luscious tongue from her wide-open mouth. She aimed my cock at her tongue. Then I exploded in desire as a thick strand of sperm shot out from my shaft and splattered over Halee's tongue. She began pumping away at me with her hand, wanting more. I obliged her, as a series of heavy spurts erupted from within me and covered Halee's lovely, charming face. Once my shaft was drained of all its juicy sperm, I opened my eyes and looked down at Halee. Her face and long blonde hair were soaked in my juice, but she sure did not seem to mind. In fact, Halee was giggling in lust as she wiped her face with her fingertips, then sucked each dry.

I'm glad she suggested that we come here for our second honeymoon.

### **Dear Editor**

Thank you for a great pictorial and video of Mari Possa and Sage Evans. It was very sexy and I especially liked the pacing of their video sex scene. No hard, fast lesbians but warm and sensuous lovemaking by two women that really liked each other and what they were doing. I hope you have more pictorials like this one!

While some of you guys may think these are fake, let me tell you they're not. They're natural and they feel great. They're still firm and very kissable. But I'm not all about boobs. My pussy is quite pretty, too. It's very tight and small for my size and it gives me and my partners great pleasure. You'll have to take my word for that, too.

Everyone needs a good grounding every once in a while, and I like mine to be during anal sex. It's something I've only been doing for a few years, and only in private until a few months ago. # saturday morning fever

It's Saturday morning, about eight. I've been awakened by my smart phone ringing. Cursing it's incessant tone, I answer and hear, "Hi, Allyson. How are you enjoying your empty house with no husband around?" The familiar voice on the other end was Sarah, a good friend of mine and someone whom I'd had a crush on for a year now, but I think she's straight. After a few minutes, I remembered why the house is empty: my husband's out of town visiting his friends.

*I lather up my hands  
and run them over my  
newly shaved pussy.*

*I carefully shave  
around the edges and  
on the lips, leaving  
just a small patch on  
the front.*

than an hour to shower and get dressed. I step into the shower, grab the soap and start soaping up. My hands spend a little extra time around my hard nipples and my full breasts.

I grab the razor and shave down my pussy hair until it's almost all gone. I love the smooth feel of my skin and the sensations seem amped up right after I shave. Grabbing the soap again, I lather up my hands and run them over my newly shaved pussy. I carefully shave around the edges and on the lips, leaving just a small patch on the front. Then I stand up, reach up, take the shower head down and turn the spray to 'massage.' I turn the water pressure all the way up and direct the spray at my clit and within seconds I'm ready to cum. As it touches my slit and I get a wild sensation. The stream of water and fingers still on my clit and my pussy make my little spasms even stronger than they had been before. I'm thinking of Sarah being with me and licking me off. Well, that sends me over the top and I make one last deep inwards thrust with my fingers as my pussy goes into seemingly endless spasms.

"Get out of bed! Let's do something fun and exciting – or we could just hang out and do nothing," she says. "Okay, okay. Just give me an hour to get it together." I tell her and hang up. Now I have to find something to wear. I have to shower. First things first. Something to wear. I wanna look nice for her. I always want to. Tank top and jeans. That's probably nice looking and comfortable enough. Black is good because then I don't have to wear a bra. I've got less

Suddenly I remember that time is running out. Sarah will be over soon. I climb out of the shower and pat myself dry. Checking my clock, I now have only fifteen minutes. I go back into the bathroom and pull on the clothes I picked out earlier. The doorbell rings and I race downstairs to unlock the door and let Sarah in. She's stunningly beautiful, as always, with her dark blonde hair just touching the tops of her perfectly-sized breasts that are barely constrained by her tight top.

*I reach under her top  
and touch her perfect  
boobs with my hands  
and caress them  
gently. Her nipples  
stiffen under my touch  
and I languish on  
them for a moment...*

“Hi, Sarah.” I greet her. “Come on in.” She smiles back and touches my cheek as she enters the house carrying a small plain brown bag with some tissue popping out of the top of it. As I close the door, I watch this little tart come in and think what a great ass she has, too. The total package. But, unfortunately for me, she’s probably straight, very religious, or has some hunky boyfriend drooling over her when they’re together.

“Hey, pretty lady come on over here and get your present, baby? Let’s go to the living room?” I head into the large living room and sit on the sofa. Faded memories of sucking some hunky man’s cock right here on the sofa, but now I must push them away. Here and now there is no sex, I tell myself as Sarah sits down the couch next to me, placing the brown bag in my lap.

“Go ahead, open it now! What are you waiting for?” she says excitedly. I grab the bag and open it just enough to peek in. I look up at her, kind of confused, and she’s got this big grin on her face. “Pull it out.” I reach in and pull out a shiny black seven inch vibrator. I look at her with a quizzed expression because I always thought she was kind of close-minded about sex, except maybe with her long-time boyfriend. Apparently not. I must be reading her wrong.

“Pretty cool, huh. Don’t you want to turn it on and give it the old college try. I just love using ‘em!”

“Do you mean now? In front of you?” I protest. “Yes, silly. Do it now.” she says excitedly as she jumps off the sofa and swings her legs over me, straddling me as I sit on the sofa. Suddenly, we’re facing each other and she’s looking directly into my eyes. She smells great. I want to grab her head and pull it in for a kiss but she beats me to it. Before I know it, her soft lips are caressing mine. Closing my eyes, I savor her kiss, the softness of her lips and the sweet smell of her lipstick. I bravely decide to pull her close, feeling her larger boobs press against mine. Then I feel her hands moving up and down my sides, tickling me, and in return, I play with her back and ass. I can feel my nipples get harder and to my surprise she pulls up my top and immediately starts licking and sucking on my nipples, first one and then the other. I reach under her top and touch her perfect boobs with my hands and caress them gently. Her nipples stiffen under my touch and I languish on them for a moment before cupping and squeezing her boobs.

I move my gaze up to her face, and she’s smiling at me. My hands play with her breasts and nipples and she moves in for another kiss as she moans a little in my mouth. I break the kiss this time and take off my own top. Gently, I alternately take her perfect nipples in my mouth, licking and sucking them until they are hard again, blowing on them and biting them gently making her whimper. She’s loving it and when I reach my hands down to unbutton her pants while still sucking, she makes no complaint and even lifts her hips for me to take them off. I finish that and feel her pussy through her underwear. She whimpers a bit and her hips push into my hand as I find her clit. Without warning her, I jerk off her underwear, toss them away, pull her hips up to me and bury my face in her hairless pussy.

I’ve never done this with a girl before but it just seems to come so naturally. I lick her entire slit from top to bottom. She flinches in pleasure as I brush her clit with my tongue. With one hand, I reach up and begin to massage her beautiful tits, rubbing and pinching the nipples while caressing the

beautiful surrounding flesh. She's nearing orgasm, I can tell by the tension in her body. I stop sucking for a moment and Sarah whimpers for me to continue. Instead, I put two of my fingers in her slit, pushing them in and out gently. She seems to love this, raising her hips up for me to go deeper. Boldly, I reach around the sofa to find the vibe.

I turn it on and hear the soft buzzing muffle as I gently push it into her wet pussy, I feel her pussy muscles spasming hard around it as her love juices leak out around it. Holding it there, I move my face up her body to kiss her. Again her lips meet mine and our tongues dance to the beat of our hearts, with the vibe providing the music. We lie kissing side by side for a while and she suddenly moves from my mouth down to my boobies and pretty brown nipples. As she licks and

sucks them, they get hard and sensitive, and I feel little fiery shivers coursing down my back. She reaches toward my dripping slit as I sit with tension building, waiting eagerly for her to touch me. My hips jump toward her hand and I feel warm and tingly inside and all over my body. She slips a long finger inside me and feels around, making me squirm. She still has the vibrator inside her, and I can tell it's bringing her close to another orgasm. She slides another finger into my pussy, her thumb hits my clit and I jump again. She notices and taps it again, evoking the same response. Seeing this, she rubs her thumb up against my clit in little circles. I involuntarily begin to gyrate my hips along with her motion. It feels wonderful and I'm on the brink of climax in seconds. Suddenly, she stops everything, tenses up, and moans in powerful orgasm from the vibrator still in her dripping pussy. Her body shakes and spasms, humping the vibrator. When she finishes, I reach down and gently remove the vibrator from her still spasming slit.

We lay in the bliss of our first time and after a few minutes she gets up and goes to the bathroom. I fall asleep, naked on the sofa. A while later, I get woken up by an unfamiliar buzz on my clit and a tongue on my pussy. I revel in the feeling for a while, hoping it's not just a dream. Suddenly, I remember what happened previously and I open my eyes to find Sarah lying between my legs with a yellow vibrator in hand, pushing it into me and her tongue on my dripping slit. My pussy involuntarily reacts to the double stimulation and in my half-sleep, I buck my hips uncontrollably sending hot gushes of girl-cum into her waiting mouth. She sticks her tongue in my dripping passage, feeling around a bit, and it makes my climax even more intense. Suddenly, she takes her mouth away and shoves this new vibrator inside me all the way to the hilt, hitting the back of my vagina. I scream in pleasure and pain. She holds the vibe in me on low so I'm still stimulated, and moves up my body for a kiss. Our mouths meet once again. She lies quietly on top of the full length of me. Our wet, naked bodies touching tip to toes and it's a sensation like I've never felt. She was a blanket of beautiful female flesh pressing all her delicious parts against mine.

We get up and make some eggs and coffee and talk about what just happened. She told me she had always wanted me and didn't know how to break the ice, so she thought of getting the vibe for me and surprise me with it. She said her upbringing wouldn't have let her do things like a while ago, but her urges have gotten the best of her. Well, I thanked her for fulfilling her urges and we kissed again. She cleared the kitchen table, pulled me to sit up on it and got the vibe. I didn't finish my coffee that morning.

# HALEY & AMANDA & MARK

I met Haley in the mall. We were both shopping at a famous lingerie store and started talking and trying on outfits for each other. More than an hour later, we were having dinner together and planning this little get together with my friend Mark.

Everybody thinks I'm in my thirties, but I tell them I'm older. I have good genes. Both my parents look younger than their ages, and we're all quite flattered by it. My pussy looks young also, especially after it gets a good fucking.

I've had my share of men over the years and I just don't get tired of them. Sometimes I want to avoid their personalities and just go right for the genitals. That's because I love a hard cock. It brings back good memories, like your favorite song does. The one that sets a time and place when you heard it as you were fucking your man.
